Earth Heart Summer Program – 2021

Location: Ryan/Petrie farm | 5832 Tenth Line Erin Ontario: 519.855.4562

Facilitators:

Alex Leikermoser 416.818.9642 Bridget Ryan 519.216.4562

What to bring?

- 1. Waterbottle
- 2. Hat
- 3. Suncreen
- 4. Bugspray
- 5. Long sleeve shirt/long pants (for woods walking and exploring)
- 6. Closed toed shoes (avoid sandals)
- 7. Lunch/Snack
- 8. Yogamat (if you have one)
- 9. A great attitude, a curious mind, and an open heart!

What NOT to bring: Any phones/screens, electronic devices.

Camp participants are welcome to use our landline if they need to connect with parents.

We will have a clock available in case participants are curious about the time of day; or they are welcome to bring or wear a watch.

What to expect:

Rain or Shine program! We will work with the weather.

When you arrive with your kids on the first day (Tuesday August 10, 2021)—try to arrive a few minutes early to look around.

We aim to start at 9:30 am and finish up by 3:30 pm.

- -Washrooms; a composting, outside toilet will be available with hand washing station.
- -Lots of fresh water will be available all day.
- -Annie and Sophie (dog pals) are prone to licking and wagging and will want to join in at all possible times!
- -The chickens are very curious, tend to be mother hens and will cluck and concern themselves at all activity.
- -Goat nation will want to be wherever they are not supposed to be; patience and a great sense of humour works best with goats.
- -Our horses; they love people and will be curious to take part in activities. There will be no riding, but there will be lots of time for horse interaction and connection.

*Participants will be encouraged to be active all day; with breaks of course and will be exposed to lots of nature and animal adventure, exploring, laughing and learning.

Parents:

If you have any info to share with us, or concerns/questions and would like to speak to Alex or Bridget, just send us a text in advance, and we will make this happen.
